Dr. Castel V. Bryant, President
Florida A & M University
Lee Hall
Tallahassee, Florida 32307

Dear Dr. Bryant:

I represent a graduate of FAMU's School of Business, Michael Johns who with his company, Syntegral Consulting, Inc. and Grass-Root Investment Group which is composed of students and graduates of FAMU, propose to become an alternate financial manager to be offered to entities who desire to donate funds to FAMU's direct support organizations.

Of great interest is the offer to donate a portion of the profits, up to 30% back into FAMU's endowment.

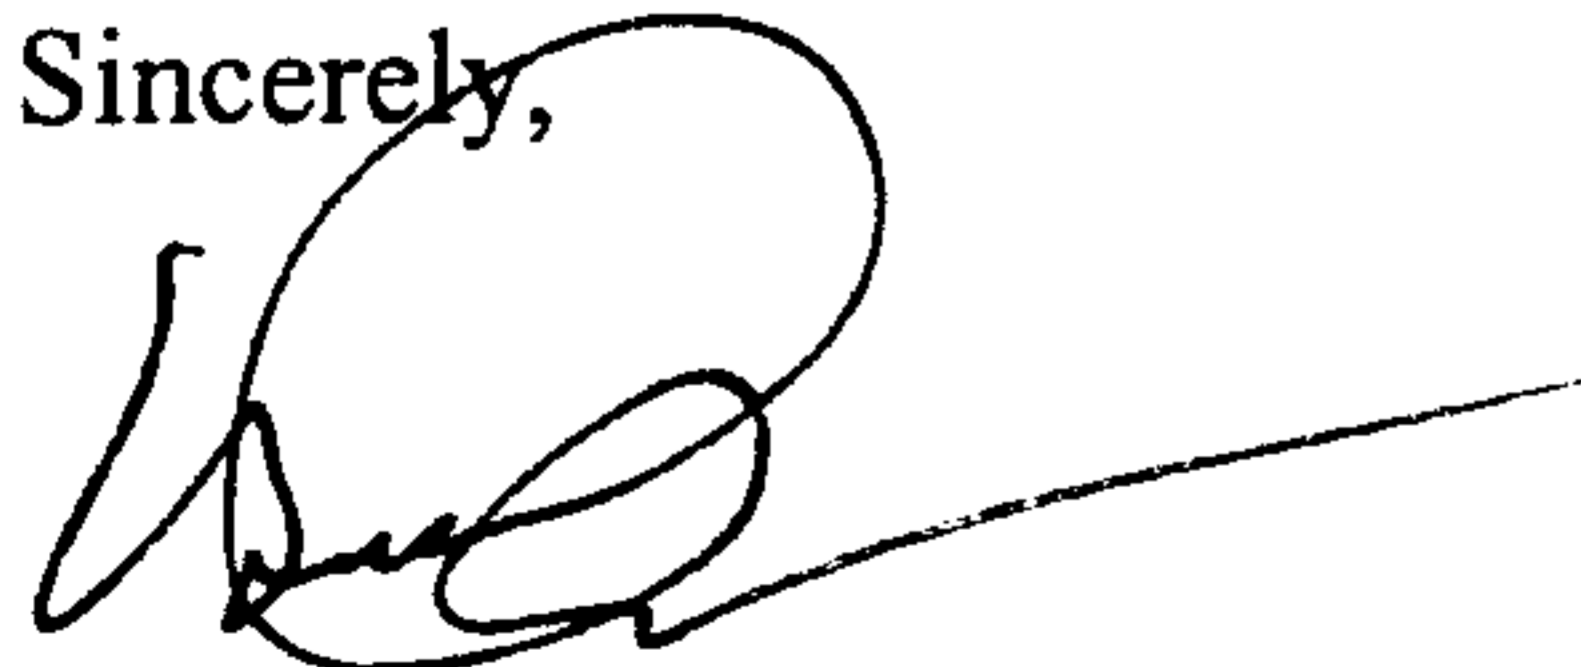

I ask that you and your legal staff check all of the aspects of this offer and advise if you are interested in exploring this concept further.

Because I am the attorney for the principals of the partnership, I make no recommendation. however the ideas seems like a great opportunity to grow our endowment and help our school and students.

Mr. Johns shared the concept with Colonel Joe, and perhaps Colonel Joe can share his thoughts with you and your legal staff.

If you need any further information, please advise.

Sincerely,

W. George Allen
